## **XFZ6ML - ELENA ROBINSON**

---

Walsch offers an explanation for the upheaval we are seeing all over our planet right now, and proposes a simple plan by which we can impact both our personal and collective future in an extraordinary way.

Examines the concerns shared by many of today's young people while addressing questions that teens may ask of God, offering guidance on building healthy relationships, accepting responsibility, and acquiring self-esteem.

Secrets of master guitarists, revealed in conversation. Guitar Talk offers interviews with many of the most creative guitarists

of our time. This new book presents these conversations, between Joel Harrison and Nels Cline, Pat Metheny, Fred Frith, Bill Frisell, Julian Lage, Elliott Sharp, Michael Gregory Jackson, Ben Monder, Anthony Pirog, Henry Kaiser, Mike and Leni Stern, Vernon Reid, Mary Halvorson, Nguyễn Lê, Rez Abbasi, Ava Mendoza, Liberty Ellman, Brandon Ross, Wayne Krantz, Dave Fuczyński, Wolfgang Muthspiel, Miles Okazaki, Sheryl Bailey, Rafiq Bhatia, and Ralph Towner—twenty-seven great guitarists in all. An enormous range of approaches and sounds exist in the modern guitar. The instrument can howl, scrape, scratch,

scream, sing, pluck, and soothe. What stands out in this book is not so much the instrument itself, rather the wonderful and idiosyncratic personalities of these bold souls, their sometimes wild, often zigzagging, and ultimately profound journeys toward beauty, meaning, and excellence in their work. We find out that jazz icon Bill Frisell won a high school band contest playing R&B tunes, beating out future members of Earth Wind and Fire. We learn which of Nels Cline's compositions he wishes to have played at his funeral. Michael Gregory Jackson recounts painful episodes of racism as he stretched between the

chasm of avant jazz, rock, and blues in the 1980s. Many more revelations, amusements, and philosophies abound.

Something happened in early 2011 that hasn't happened in decades, perhaps centuries—and we didn't even notice it. That is, we didn't see it for what it was. Massive unrest from Tunisia to Egypt to Libya rocked the Arab world and threw the globe into political crisis. Within days, an earthquake-tsunami-nuclear calamity of terrifying proportions shocked Japan and sent the world reeling once again, even as the globe's financial markets shuddered to sustain themselves while states and nations tottered on the brink of bankruptcy—where many still linger. All of this, of course, we did notice. What we may have missed was that ancient predictions for this period of time called for exactly this: simultaneous environmental, political, and financial disasters. Were we seeing the beginning of "the end of history"—and not picking up the signal? In his prescient new book, *The Storm Before The Calm*, seven-time New York Times best-selling author Neale Donald Walsch offers a startling answer: yes. But Walsch also says there is nothing to fear, advancing an extraordinary explana-

tion for what is happening even now all over the planet. Then—and more important—he provides a stunning prescription for healing our lives and our world through the answering of seven simple questions, inviting people everywhere to join in an earth-saving exchange at [TheGlobalConversation.com](http://TheGlobalConversation.com). Compelling and perfectly timed, *The Storm Before The Calm* answers every question that is worth asking about December, 2012 and beyond.

Discover the answers to the questions of God, meaning, and existence. This is the final book of the original three-book *Conversations with God* series. The series deals with “universal truths of the highest order, and the challenges and opportunities of the soul.” In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that’s about to take place. This is an engaging and profound conversation about the culture, philosophy, and spirituality of highly evolved beings (some of whom we call “aliens,” or “ETs”) in other realms of the universe, and how they have learned to view life, love, and the pursuit

of happiness. CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy.

Be careful. This book is dangerous. It explores with startling freshness the most important question you could ever ask, and offers with breathtaking courage the most extraordinary answer you could ever imagine. That answer is so theologically revolutionary and so spiritually empowering that it could change the course of human history. If embraced, it most certainly will change your life. There are people and institutions in the world, long in place and long in power, that want neither of these outcomes to occur. They would rather that you put this book down right now. It's up to you.

“Interesting...Bowlin's calmly rational approach to the subject of conspiracy theories shows the importance of logic and evidence.”—Booklist “A page-turning book to give to someone who believes in pizza pedophilia or that the Illuminati rule the world.”—Kirkus Reviews The co-hosts of the hit podcast *Stuff They Don't Want You*

to Know, Ben Bowlin, Matthew Frederick, & Noel Brown, discern conspiracy fact from fiction in this sharp, humorous, compulsively readable, and gorgeously illustrated book. In times of chaos and uncertainty, when trust is low and economic disparity is high, when political institutions are crumbling and cultural animosities are building, conspiracy theories find fertile ground. Many are wild, most are untrue, a few are hard to ignore, but all of them share one vital trait: there's a seed of truth at their center. That seed carries the sordid, conspiracy-riddled history of our institutions and corporations woven into its DNA. Ben Bowlin, Matt Frederick, and Noel Brown host the popular iHeart Media podcast, Stuff They Don't Want You To Know. They are experts at exploring, explaining, and interrogating today's emergent conspiracies—from chem trails and biological testing to the secrets of lobbying and the indisputable evidence of UFOs. Written in a smart, witty, and conversational style, elevated with amazing illustrations, Stuff They Don't Want You to Know is a vital book in understanding the nature of conspiracy and using truth as a powerful weapon against ignorance, misinforma-

tion, and lies.

During the filming of his celebrated novel THE ENGLISH PATIENT, Michael Ondaatje became increasingly fascinated as he watched the veteran editor Walter Murch at work. THE CONVERSATIONS, which grew out of discussions between the two men, is about the craft of filmmaking and deals with every aspect of film, from the first stage of script writing to the final stage of the sound mix. Walter Murch emerged during the 1960s at the centre of a renaissance of American filmmakers which included the directors Francis Coppola, George Lucas and Fred Zinneman. He worked on a whole raft of great films including the three GODFATHER films, JULIA, AMERICAN GRAFFITI, APOCALYPSE NOW, THE UNBEARABLE LIGHTNESS OF BEING and many others. Articulate, intellectual, humorous and passionate about his craft and its devices, Murch brings his vast experience and penetrating insights to bear as he explains how films are made, how they work, how they go wrong and how they can be saved. His experience on APOCALYPSE NOW - both originally and more recently when the film was completely re-cut - and his work with Anthony Minghella on THE

ENGLISH PATIENT provide illuminating highlights.

The Visio Pauli and the Gnostic Apocalypse of Paul is the first modern collection of studies on the most important aspects of the Visio Pauli, the most popular early Christian apocalypse in the Middle Ages. The volume starts with a short study of the textual traditions of the Visio Pauli, its Jewish and early Christian traditions as well as its influence on later literature, such as Dante. This is followed by studies of the Prologue, the four rivers of Eden, the place of the Ocean, the relation between body and soul, the image of hell and its punishments, and the connection with fantastic literature. Finally, a codicological, comparative, and textual re-evaluation of the Coptic translation attempts to correct earlier errors and to rehabilitate the value and interest of this long neglected version of the Visio Pauli. The book is concluded with a study of the earthly tribunal in the fourth heaven of the Gnostic Apocalypse of Paul. As has become customary, the volume is rounded off by an extensive bibliography of the Visio Pauli and the Gnostic Apocalypse of Paul and a detailed index.

AND GOD SAID... Neale Donald Walsch didn't claim to be special or spiritually gifted. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them—directly—through Walsch's pen. And the result was a series of witty, provocative, and profound books that have changed the lives of readers around the world. Here in one handsome volume, with new introductions and afterwords, are the second two books in the Conversations with God series. In Conversations with God 2, Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1. The pair discusses time, space, and politics. It is an honest look at some of the broad issues important to all of us on the planet. Conversations with God 3, the final book of the original three-book series, contains "universal truths of the highest order, and the challenges and opportunities of the soul." In this volume, the dialogue expands to include more about the nature of God, about love and fear, about who we are and who we may

become. Here is also a profound dialogue about the culture, philosophy, and spirituality of highly evolved beings in other realms of the universe and how they have learned to view life, love, and the pursuit of happiness.

A New York Times bestseller. "My life was a complete mess, and God bless all of it. Because it's in the messes where we learn the most—as long as we slow down enough to realize what God is trying to show us." Suddenly in the spotlight, twenty-four-year-old Hannah Brown realized that she wasn't sure what she wanted. After years of competing in beauty pageants, and then starring on The Bachelorette and Dancing with the Stars, she had become incredibly visible. There she was, in her early twenties, with millions around the world examining and weighing in on her every decision. She found herself wondering what it would mean to live on her terms. What it would mean to stop seeking approval from others and decide—for the first time—what it was she wanted from her own life. An honest and earnest examination of her own mid-twenties, God Bless This Mess is a memoir that doesn't claim to have all the answers. Hannah

knows she doesn't have all the answers. What she does have is the insight of someone who has spent critical years of her youth under public scrutiny. Thus what emerges is a quarter-life memoir that speaks to the set of difficulties young women face, and how to move through them with grace. By pushing against her engrained need to seek approval, and learning how to think critically about her own goals and desires, Hannah inspires others to do the same—and to embrace the messiness that comes hand-in-hand with self-discovery (even if that sometimes means falling flat on your face). Using her time on The Bachelorette as a launching pad, Hannah doesn't shy away from the most painful experiences of her life: moments when her faith was tested, when she feared it was lost, and the moments when she reclaimed it on national television. "And Jesus still loves me." Fans will be inspired by the never-before-told stories: the ones about facing depression and anxiety during her pageant years, the ways in which therapy and journaling have proven to be a saving grace, and the previously private moments—both at home and on television—that have shaped the star's

outlook. Honest and emotionally urgent, *God Bless This Mess* is a reminder that true growth doesn't come without strife—and it's through those dark, messy moments that self-acceptance and love can bloom.

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark.

A fifteenth-century *Eat, Pray, Love, Revelations* illuminates the intersecting lives of two female mystics who changed history—Margery Kempe and Julian of Norwich. Bishop's Lynn, England, 1413. At the age of forty, Margery Kempe has nearly died giving birth to her fourteenth child. Fearing that another pregnancy might kill her, she makes a vow of celibacy, but she can't trust her husband to keep his end of the bargain. Desperate for counsel, she visits the famous anchoress Dame Julian of Norwich. Pouring out her heart, Margery con-

fesses that she has been haunted by visceral religious visions. Julian then offers up a confession of her own: she has written a secret, radical book about her own visions, *Revelations of Divine Love*. Nearing the end of her life and fearing Church authorities, Julian entrusts her precious book to Margery, who sets off the adventure of a lifetime to secretly spread Julian's words. Mary Sharratt vividly brings the medieval past to life as Margery blazes her trail across Europe and the Near East, finding her unique spiritual path and vocation. It's not in a cloistered cell like Julian, but in the full bustle of worldly existence with all its wonders and perils.

Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his *Conversations With God* series, book 1, book 2, and book 3, have all been *New York Times* bestsellers—book 1 for over two years. In the *Conversations* books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in *Friendship with God*, something

else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship. Now in *Communion with God*, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals *The Ten Illusions of Man*—the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions. Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy—a place of communion with God.

Many changes are occurring now in the lives of all of us, but does "change" have to equal "crisis"? No. Not if you have the means with which you can change your experience of change – and that is what you are holding in your hand. This is more than a book about change. It's about how life itself works. It is about the very nature of change – why it happens, how to deal with

it, and how to make it be "for the better." On these pages are Nine Changes That Can Change Everything. Is it possible that what you are about to read has come to you at the right and perfect time . . . ?

"Dylan Marron is the internet's Love Warrior. His work is fresh, deeply honest, wildly creative, and right on time." —Glennon Doyle, #1 New York Times bestselling author "Dylan Marron is like a modern Mister Rogers for the digital age." —Jason Sudeikis From the host of the award-winning, critically acclaimed podcast Conversations with People Who Hate Me comes a thought-provoking, witty, and inspirational exploration of difficult conversations and how to navigate them. Dylan Marron's work has racked up millions of views and worldwide support. From his acclaimed Every Single Word video series highlighting the lack of diversity in Hollywood to his web series Sitting in Bathrooms with Trans People, Marron has explored some of today's biggest social issues. Yet, according to some strangers on the internet, Marron is a "moron," a "beta male," and a "talentless hack." Rather than running from this online vitriol, Marron began a social experiment in which he invited his detractors to

chat with him on the phone—and those conversations revealed surprising and fascinating insights. Now, Marron retraces his journey through a project that connects adversarial strangers in a time of unprecedented division. After years of production and dozens of phone calls, he shares what he's learned about having difficult conversations and how having them can help close the ever-growing distance between us. Charmingly candid and refreshingly hopeful, Conversations with People Who Hate Me will serve as both a guide to anyone partaking in difficult conversations and a permission slip for those who dare to believe that connection is possible.

A compassionate spiritual meditation on the process of death and dying, written by the author of the popular Conversations with God series, offers counsel on how to draw wisdom and peace of mind throughout the process, which is explained as the beginning of an "after life" in God's kingdom. Reprint. 60,000 first printing.

An engaging look at how technology is undermining our creativity and relationships and how face-to-face conversation can help us get it back.

\*\*\*THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER\*\*\* An NPR Book of the Day Picking up where the New York Times best-selling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican

Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

You've Got Me All Wrong If we've got God all wrong, we've got everything else wrong, too. Is it possible that everything we think we know about God, and what God wants, is wrong? In direct and spiritually challenging language, Walsch exposes the many ways in which he believes that humanity completely misunderstands God. He describes in clear terms how the world could change overnight if humans accurately comprehended what God is, what God wants, who they are in relation to that, and to each other. Walsch calls this the Missing Data, which if ever embraced and acted on by our species, would create

a spiritual revolution across the globe, bringing humanity both inner and outer peace at last. Does anybody care why our species has been such a failure? Does anybody imagine it has not been? Does anybody want to know how this whole situation can be turned around in the virtual blink of an eye? If you do care about those questions, then you will read this book. Neale Donald Walsch is one of the most influential and widely read authors in the new spirituality movement, with eight books on the New York Times bestseller list. His life and work have helped to create and sustain a worldwide spiritual renaissance, and he travels globally to bring the uplifting message of his books to people everywhere.

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies - Brazil, India, and the United States - now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of

postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international best-seller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed

on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those books that stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!'

Furnishing an outline for a new form of spirituality, the best-selling author of *Conversations with God* creates a question-and-answer dialogue between the author and God in which he describes a new form of spirituality that will enhance each individual's life and discusses such topics as sex, relationships, politics, and other timely topics. Reprint. 100,000 first printing.

The first book in a new series by the multi-million-copy bestselling author of *Conversations with God*. Neale Donald Walsch has changed the way millions of Americans think about God. His *Conversations with God* series, book 1, book 2, and book 3, have all been New York Times bestsellers- book 1 for over two years. The essence of Neale Donald Walsch's message lies at

the heart of faith- the sacred place in every person, where he stands alone with his God. Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In *Friendship with God*, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.

Discover untold secrets with this extraordinary memoir of drama and tragedy by Anne Glenconner—a close member of the royal circle and lady-in-waiting to Princess Margaret. Anne Glenconner has been at the center of the royal circle from childhood, when she met and befriended the future Queen Elizabeth II and her sister, the Princess Margaret. Though the firstborn child of the 5th Earl of Leicester, who controlled one of the largest estates in England, as a daughter she was deemed "the

greatest disappointment" and unable to inherit. Since then she has needed all her resilience to survive court life with her sense of humor intact. A unique witness to landmark moments in royal history, Maid of Honor at Queen Elizabeth's coronation, and a lady in waiting to Princess Margaret until her death in 2002, Anne's life has encompassed extraordinary drama and tragedy. In *Lady in Waiting*, she will share many intimate royal stories from her time as Princess Margaret's closest confidante as well as her own battle for survival: her broken-off first engagement on the basis of her "mad blood"; her 54-year marriage to the volatile, unfaithful Colin Tennant, Lord Glenconner, who left his fortune to a former servant; the death in adulthood of two of her sons; a third son she nursed back from a six-month coma following a horrific motorcycle accident. Through it all, Anne has carried on, traveling the world with the royal family, including visiting the White House, and developing the Caribbean island of Mustique as a safe harbor for the rich and famous—hosting Mick Jagger, David Bowie, Raquel Welch, and many other politicians, aristocrats, and celebrities. With unprecedented insight in-

to the royal family, *Lady in Waiting* is a witty, candid, dramatic, at times heart-breaking personal story capturing life in a golden cage for a woman with no inheritance. *We're in Trouble. But There Is Help . . . If We Listen.* In the middle of the night on August 2, 2016, Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions: Is the human race being offered help by Highly Evolved Beings from Another Dimension? Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead? He was told that the answer to both questions is yes. Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans do-- and how adopting even a few of those behaviors could change the course of world history for the better forever. That informa-

tion makes up the body of this work. A striking invitation to every reader sets the stage for the extraordinary explorations that follow. Picking up where Book 3 in the *Conversations with God Trilogy* series left off, the revelations about Highly Evolved Beings and about how ordinary humans can answer the call to help awaken the species on Earth will breathtakingly expand your view of both your personal and your collective future. Which is exactly what the dialogue was intended to do.

This is a life-altering book. It contains *New Revelations*. It provides the tools with which to pull ourselves out of despair, lifting the whole human race to a new level of experience, to a new understanding of life itself, to a new expression of its grandest vision. Neale Donald Walsch believes that the human race has reached a *Time of Choosing*. Our options are being placed before us by the tide of events -- and by those whoa re creating them. We can either move forward, building together at last a new world of peace and harmony based on new beliefs about God and Life, or move backward, separately and continuously reconstructing the old world of conflict and discord. In *The New Revela-*

tions, bestselling author Walsch offers possible and powerful answers to the questions facing the world, and urges us to open our hearts and minds to what may be one of the most important spiritual statements of our time.

The dialogue expands . . . When Neale Donald Walsch was experiencing one of the lowest points of his life, he decided to write a letter to God. What he did not expect was a response, with extraordinary answers covering all aspects of human existence - from happiness to money, to faith. The resulting book, *Conversations with God*, was an instant bestseller on publication in 1995 and has since sold millions of copies world-wide, changing countless lives everywhere. *Conversations with God: Book 3* is the third volume of the original *Conversations with God* trilogy that takes us even further in our questioning and search for answers, dealing with universal truths of the highest order and the challenges and opportunities of the soul. This incredible series contains answers that will change you, your life and the way you view others. Also by Neale Donald Walsch and available from Hodder &

Stoughton: Conversations with God, Books 2 and 3, Communion with God, Friendship with God, Applications for Living and Meditations from Conversations with God, Book 1.

INSTANT NEW YORK TIMES BESTSELLER  
 "Searing. Powerful. Needed." —Oprah  
 "Sometimes a single story can change the world. Unbound is one of those stories. Tarana's words are a testimony to liberation and love." —Brené Brown From the founder and activist behind one of the largest movements of the twentieth and twenty-first centuries, the "me too" movement, Tarana Burke debuts a powerful memoir about her own journey to saying those two simple yet infinitely powerful words—me too—and how she brought empathy back to an entire generation in one of the largest cultural events in American history. Tarana didn't always have the courage to say "me too." As a child, she reeled from her sexual assault, believing she was responsible. Unable to confess what she thought of as her own sins for fear of shattering her family, her soul split in two. One side was the bright, intellectually curious third generation Bronxite steeped in Black literature and power, and

the other was the bad, shame ridden girl who thought of herself as a vile rule breaker, not as a victim. She tucked one away, hidden behind a wall of pain and anger, which seemed to work...until it didn't. Tarana fought to reunite her fractured self, through organizing, pursuing justice, and finding community. In her debut memoir she shares her extensive work supporting and empowering Black and brown girls, and the devastating realization that to truly help these girls she needed to help that scared, ashamed child still in her soul. She needed to stop running and confront what had happened to her, for Heaven and Diamond and the countless other young Black women for whom she cared. They gave her the courage to embrace her power. A power which in turn she shared with the entire world. Through these young Black and brown women, Tarana found that we can only offer empathy to others if we first offer it to ourselves. Unbound is the story of an inimitable woman's inner strength and perseverance, all in pursuit of bringing healing to her community and the world around her, but it is also a story of possibility, of empathy, of power, and of the leader we all have inside ourselves. In sharing her

path toward healing and saying "me too," Tarana reaches out a hand to help us all on our own journeys.

The wonder of the nine-book Conversations with God body of work is that it contains everything human beings need to know in order to make life on Earth a joyous, meaningful, and fulfilling experience. Perhaps more remarkable, it presents this information in terms so clear that it is virtually impossible to misinterpret or misunderstand. In this book, the three thousand pages of Conversations with God have been reduced to only one thousand words, capturing its twenty-five core messages. This concise statement is then followed by a List of Lists taken directly from the nine texts of the exchange between Divinity and Humanity. The result is a communication so profound, presented in a way so easy to comprehend, that it could help alter life as we know it forever, for the better.

God's number one message to the world: "You've got me all wrong." Inspired by his nine-book Conversations with God series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in

a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had

another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Pulitzer Prize-winning author and astronomer Carl Sagan imagines the greatest adventure of all—the discovery of an

advanced civilization in the depths of space. In December of 1999, a multinational team journeys out to the stars, to the most awesome encounter in human history. Who—or what—is out there? In *Cosmos*, Carl Sagan explained the universe. In *Contact*, he predicts its future—and our own.

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. *Peril* is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls,

diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days. To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's ex-

traordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Something very unusual is occurring on this planet right now. You have no doubt noticed it. It may be producing a more than normal amount of challenge and disjointedness in your life, and perhaps even some major upheavals. You are probably noticing it in the lives of others as well. For a while you may have thought that this was all just your mind playing tricks on you; that things were not really happening any differently, and that you're just a little tired, a little overcommitted, a little oversensitive. But now, as each day pre-

sents itself with obstacles mounting and challenges increasing and more and more personal issues coming up to be faced and healed, it is apparent that all of this is not an illusion, not an exaggeration. So you may be asking, "Why is all this happening? What am I doing wrong?" And here's the answer . . . You're doing nothing wrong. AND . . . there is something very unusual going on right now in your life, and all over the planet.

The human race has reached a Time of Choosing. Our options are being placed before us by the tide of events -- and by those who are creating them. We can either move forward, building together at last a new world of peace and harmony based on new beliefs about God and Life, or move backward, separately and continuously reconstructing the old world of conflict and discord. *The New Revelations* provides us with the tools to move forward, to pull ourselves out of despair, lifting the whole human race to a new expression of its grandest vision. In this book, which offers possible and powerful answers to the questions facing the world, best-selling author Neale Donald Walsch urges us to open our hearts and minds to what

may be one of the most important spiritual statements of our time. A conversation with God that began as a simple plea from one human being to the God of his understanding, *The New Revelations* is a life-altering book, given to us when we need it most.

What is needed now is for humanity to agree on the most important topic in human history. We could produce spectacular results if we did so, changing life on Earth for the better - forever. And this is not out of our reach. We could bring an end to anger, violence, disagreements between people and nations, financial hardships, poverty, starvation, and the suffering of millions. We could bring peace, prosperity, security, opportunity, and joy to people around the world. In short, all that humanity has ever hoped for or dreamt of and what we were truly meant to experience could be ours. This could happen virtually overnight. And it could be done with the embracing of a single idea.

*Rage* is an unprecedented and intimate

tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international best-selling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, *Rage* shows how Trump's re-

sponses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don't worry about it, Bob. Okay?” Trump told the author in July. “Don't worry about it. We'll get to do another book. You'll find I was right.”
