Dear Families,

I don't know about you, but we are SO excited to finally welcome some warm, spring weather! Our classes have been getting outside as much as possible with extra buggy rides, walks, and playground time whenever possible. Please continue to send jackets in with your children to make sure we're ready for chilly mornings. We are looking forward to many days filled with chalk drawings, bubble blowing, bird watching, and seed planting!

Spring is full of fun events! The Easter Bunny will be making his annual visit on March 22nd to visit the classrooms and oversee our Egg Hunt. We ask that each family to send in 1 dozen pre-filled, nut-free eggs to contribute to our hunt.

We will be hosting our annual Pre-K Program informational meeting on April 11th. The program starts at age 3 and continues until they are 5. If you are the parent of a 2 or 3 year old, we highly encourage your attendance. Learn about how our program supports kindergarten readiness from both an academic and social/emotional perspective. Hear how our 123 Magic Behavioral Management System helps support children as they grow their independence. And take a peek at what a day looks like in one of our Pre-K classes! Books will be provided for all families attending. This is a crucial time in your child's development, so please plan to attend!

Save the date of May 1st for our Derby Parade and Block Party! Families are welcome to come watch the afternoon parade and then stay awhile for some refreshments and games during afternoon pickup! More details will be coming soon.

As always, thank you for the trusting us to care for your children everyday. It truly is a privilege; we are grateful to be part of your lives.

Easter Fun!

Each family please plan to send in 1 dozen pre-filled, nut-free Easter eggs for our Egg Hunt on Wednesday, March 27th

Pre-K Program Informational Meeting

April 11th from 5:45-6:30

Do you have a 2 or 3 year old? Are you wondering what preschool program will best prepare your child for kindergarten? Look no further! Puzzle's has their own exceptional preschool program that begins at age three! We are known for our kiddos being very prepared for kindergarten and we take great pride in this!

Join us for an informational meeting to hear more about what to expect as your child transitions to the program. Meet with our experienced Pre-K Teaching team, see our preschool classrooms, and hear how we have developed our own curriculum to ensure our students are ready for kindergarten with the needed academic and social skills.

Pre-K Lead Teaching Team:

Ms. Courtney Hackett (8 years experience), Ms. Karen Pierce (30 years experience),
Ms. Kortneigh Mucker (7 years experience), Ms. Mary Crowe (12 years experience)

Friendly Reminders

Outside Food

Please do not send your child into Puzzle's with outside food. If they need to finish breakfast before being dropped off, you are welcome to sit with them at the red tables while they finish! This is important due to potential food allergies and our participation in the Federal Food Program. Thanks!

Morning Drop Off

Unless your child has an appointment, please make sure they are dropped off no later than 10:00 a.m. We want to ensure they are not missing out on im-

Thank you to all of the parents, grandparents, siblings, and friends who participated in Read Across America week by coming in to read to our classes! Thanks for instilling a

With the arrival of the warmer weather, please make sure your child's cubby is well stocked with weather-appropriate extra clothes. Socks are required in our indoor play areas so be sure to include a few extra pairs!

We keep backups on hand in case of unexpected emergencies, but our stock of extra clothing is running low! If your child has been sent home in Puzzle's clothing, we would appreciate you returning it!
